

2018 Lands Lutheran Church Mission Trip

CHICAGO

July 8-13

WHO: 8th-12th graders

COST: \$150 non-refundable deposit

**If cost is of any issue for you, PLEASE talk to Ashley or Pastor David. Money is never a reason not to participate.*

COMMITMENT:

While the days we spend in Chicago will be our focus, to be prepared and actually get ourselves there we need you to agree to participate in fundraiser events (which make this possible) and pre-journey gathering times starting in December, 2017. These are an important part of the experience to ensure you are prepared.

Why go? We will get to experience Chicago firsthand by living in the community, eating at local international restaurants, learning about their problems, working with indigenous organizations trying to solve these problems, and hearing the city's story from it's own people.

What exactly? Chicago (the Windy City, Chi-Town, the Second City) is a struggling city. We will stay in a safe place in a diverse neighborhood (where this organization has been serving for many, many, years) and there will be CSM staff persons leading us, who work there year round. We will work hard and play hard. The service work we do could include food prep (soup kitchens, shelters), clothing sorting, helping with child/youth programs, spending time with elderly, or VBS. But we will not know for sure how we will be serving until we get there.

Adults... To make this experience possible, we need adult leaders. In addition to Ashley, we need at least one more adult over the age of 21. If you might be interested or want more info, contact Ashley right away.

Registration:

To register, complete and return form with deposit to Lands by **December 16.**

More:

For more information and to ask questions, please connect with Ashley Corbett (*Facilitator of Family Ministry*) at acorbett@hcinet.net or call 732-5482.
